NARRATIVE REPORT	

DASE 2021-2022 Phase III
(In Collaboration with COMEX)
 August 22, 2022

A. Background/ Rationale of the Event

Conducted Tourism Mapping and Assessment of TQOL (Tourism Quality of Life) of Residents. Initiated capacity building to help the community increase knowledge of food production. Provided a simple outreach program. The partner community formulated plans and activities to develop and increase tourism in the community. The outreach program will help, uplift, and support those families and family members of the community.
