

16.2.3

Universities governance measures look at activities around elected representation of university stakeholders on the governing body as well as policy and processes to involve local and non-university stakeholders.

01

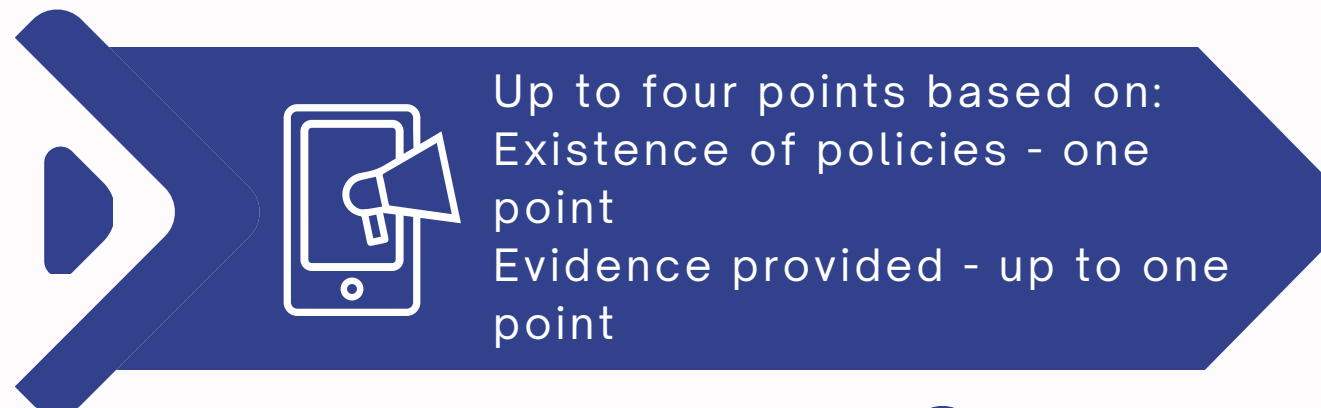

Have written policies and procedures to identify local stakeholders external to the university and engage with them

02

03

Up to four points based on:
Is the evidence provided public - one point
Is policy created or reviewed in period 2019-2023

04

Consultative Meeting

Barangay 407, Zone 42
Community Extension office
Social Science Department

TO ORDER

National University of Manila
office and Social Science
ment held a consultative
g with the officials of
y 407, Zone 42 of the City of

OUTCOME

PROMOTE
social awareness and
understanding of the ch
contemporary society.

INTRODUCE
the concept of "Compet
Training" to develop lea
skills.

INVITE
all youth in Zone 42, whic
of 12 barangays, to parti
the program.

September 7, 2022, the Social Science Department, along with the Officials of Barangay 407, Zone 42 of Manila, and Representatives from the National University-Manila Community Extension (COMEX) convened for a consultative meeting to discuss the barangay-level program. The meeting began with a brief overview of the agenda followed by formal introductions of the attendees.

The core group ensured from the outset the meeting focused on youth-related programs. Subsequently, the Barangay Chairman responded to the numerous activities they organize in their community, such as the Film Showing, and Day Care Activities.

The proposal for "Competency Training" originated from the core group and was presented to the Barangay Chairman to enhance the knowledge of potential Sangguniang Kabataan candidates and the incumbent SK Chairman. As observed by the Barangay Captain, the Sangguniang Kabataan officials still need improvements in terms of their role, responsibilities as well as their powers as part of the Barangay unit.

It was evident that there is a certain minimal level that points out some lack of competency. This can be attributed to certain policies being undermined when it comes to actual implementation vis-à-vis the understanding of the youth barangay executives of complicated work delegation and functions amongst key officials. It was decided that the Sangguniang Kabataan and the potential SK Candidates, but also the Barangay Kagawads in which they serve, shall participate in the upcoming Competency Training.

Before the conclusion of the meeting, it was added that not only Barangay 407 but also the 11 other barangays under Zone 42 of Manila to participate for the dissemination of the information be a more prevalent activity to the community, as they have said, the more participants, the better the impact of the training will be. As it is the standard operating procedure, the said gathering should be first approved by the COMEX. The target age of the participants is from 18-24 years old.

WORK PLAN

- Focus Group Discussion for the Sangguniang Kabataan.
- Letter of intent for the "Competency Program" for cascading to the Zone leader of Zone 42 as a barangay cluster.
- Project proposal and "banig" content
- Establishing a timetable for the proposed program

NATIONAL UNIVERSITY

WORK PLAN

- Focus Group Discussion for the Sangguniang Kabataan.
- Letter of intent for the "Competency Program" for cascading to the Zone leader of Zone 42 as a barangay cluster.
- Project proposal and "banig" content
- Establishing a timetable for the proposed program

On September 7, 2022, the Social Science Department, along with the Barangay Officials of Barangay 407, Zone 42 of Manila, and Representatives from the National University-Manila Community Extension (COMEX) convened for a consultative meeting to discuss the prospective barangay-level program. The meeting began with a brief overview of the agenda followed by formal introductions of the attendees.

The core group ensured from the outset the meeting focused on youth-related programs. Subsequently, the Barangay Chairman responded to the numerous activities they organize in their community, such as the Sports Festival, Film Showing, and Day Care Activities.

The proposal for "Competency Training" originated from the core group and was presented to the Barangay Chairman to enhance the knowledge of potential Sangguniang Kabataan candidates and the incumbent SK Chairman. As observed by the Barangay Captain, the Sangguniang Kabataan officials still need improvements in terms of their role, responsibilities as well as their powers as part of the Barangay unit.

It was evident that there is a certain minimal level that points out some lack of competency. This can be attributed to certain policies being undermined when it comes to actual implementation vis-à-vis the understanding of the youth barangay executives of complicated work delegation and functions amongst key officials. It was decided that the Sangguniang Kabataan and the potential SK Candidates, but also the Barangay Kagawads in which they serve, shall participate in the upcoming Competency Training.

Before the conclusion of the meeting, it was added that not only Barangay 407 but also the 11 other barangays under Zone 42 of Manila to participate for the dissemination of the information be a more prevalent activity to the community, as they have said, the more participants, the better the impact of the training will be. As it is the standard operating procedure, the said gathering should be first approved by the COMEX. The target age of the participants is from 18-24 years old.
