Heads up, Nationalians!

PROJECT PAGLAOM: A Donation Drive for the Victims of Super Typhoon Karding

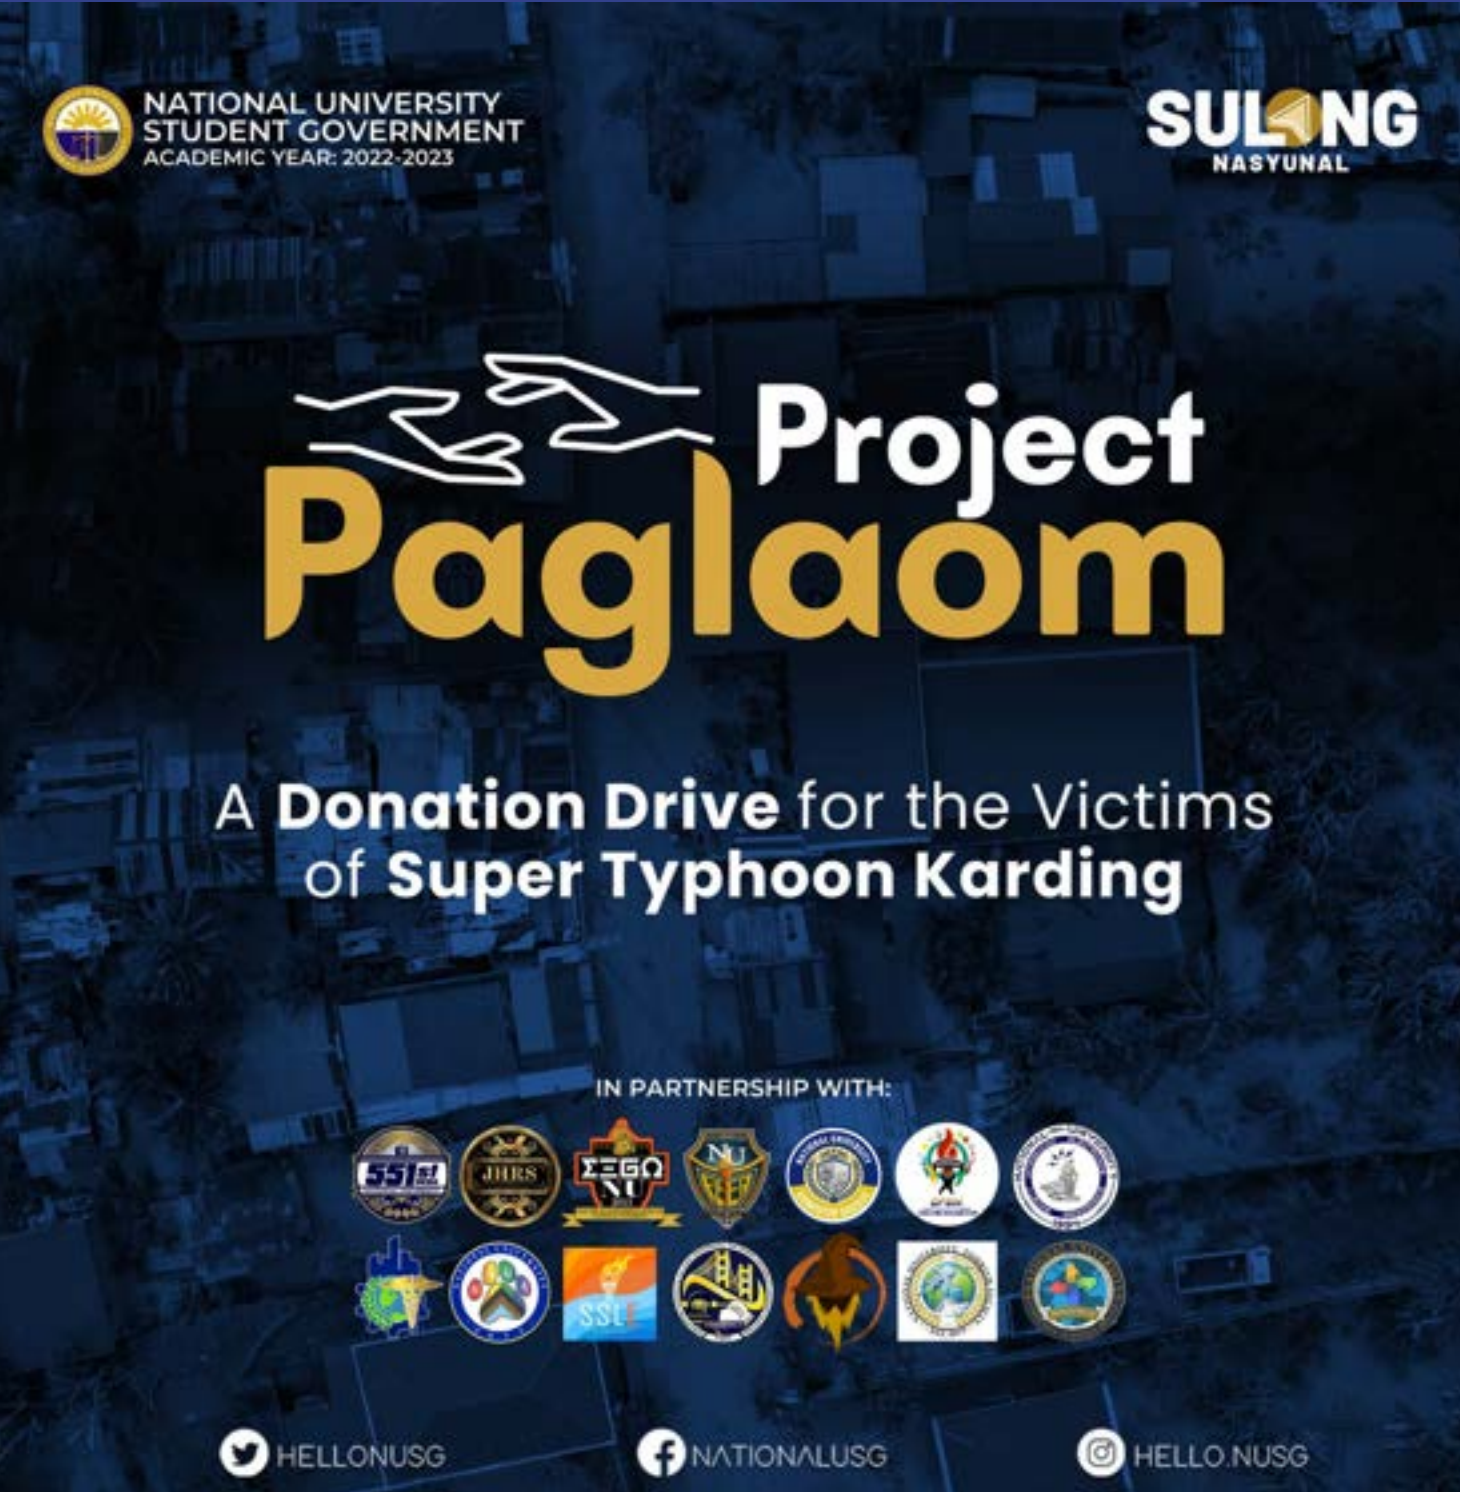

"It's not the amount that matters but the meaning behind your donation."

During this time of adversity, we are knocking on your kind hearts to ignite the Bayanihan spirit and extend a helping hand to our fellow Filipinos.

The Community Extension of National University Student Government (NUSG), in collaboration with different Registered Student Organizations (RSO), launches a new project titled "Project Paglaom: A Donation Drive for the Victims of Super Typhoon Karding."

As a result of the devastation of #KardingPh, many of our affected fellow Filipinos suffered from damaged homes and the loss of their livelihoods. Therefore, we are humbly asking for your financial help or in-kind donations that you may offer. Rest assured that we wholeheartedly appreciate you, regardless of the amount. Through our own little way, we can aid our kababayans and their families that are in need.
