PA-NU-LUYAN: Project ARK Gift Giving Program

December 23, 2021

Brgy. Babatnin, Malolos City bulacan

The students National University Baliwag has proven their genuineness in terms of having a heart for the needy and the marginalized. Since Filipinos have very huge heart for family especially during the most wonderful time of the year, the NUB family through the initiative of the SINGKABAN Organization, will unify the university family in spreading the true spirit of Christmas. Together with the Brgy. officials we went to those families that are less fortunate and in need.

The name "Pa-NU-luyan" is taken from the Filipino Christmas Tradition named Panuluyan -a traditional Filipino reenactment of Joseph and Mary's search for suitable place for Mary to give birth to Jesus. In this concept, the NUB family will bring the spirit of joy, family to their chosen community or charitable institutions.
