Bagyong Maring Call for Donations

October 19, 2021

Driven by the guiding principles and our core values of COMPASSION and PATRIOTISM, we enjoy everyone to participate in donation campaigns for the victims of Typhoon Maring in some coastal areas here in Bulacan.

We have to be the beacon of hope and uplift the spirit of our fellow citizens as they try to rise and resilience and begin rebuilding of their lives, their livelihood, and their community.

This project was successfully delivered with the help of our donors and partners organizations especially NU Baliwag student organizations and employees of NU Baliwag.
