

NU BALIWAG

COMMUNITY SERVICES

Project ARK: Bagyong Odette Victims Donation Drive

December 21, 2021

OBJECTIVES:

1. To unify the National University Baliwag through the spirit of charity and compassion.
2. To give some support to our fellow Cagayenos as they struggle to get through their loses.
3. To be the exemplars of unity, compassion, resilience and charity amidst diversity.

Driven by the guiding principles and our core values of COMPASSION and PATRIOTISM, we enjoin everyone to participate in donation campaigns for the victims of Typhoon Maring in some coastal areas here in Bulacan.

We have to be the beacon of hope and uplift the spirit of our fellow citizens as they try to rise and resilience and begin rebuilding of their lives, their livelihood, and their community.

This project was successfully delivered with the help of our donors and partners organizations especially NU Baliwag student organizations and employees of NU Baliwag.
