

## **NARRATIVE REPORT**

Name of Event: "FINANCE 4.0: A Green Turn Towards Sustainable Financing"

Date of Event: June 7, 2023

### **General Overview:**

On June 7, 2023, the National University Junior Financial Executives (NU-JFINEX) conducted the 4<sup>th</sup> NU Finance Students' Congress titled "FINANCE 4.0: A Green Turn Towards Sustainable Financing" with the participants from the College of Business and Accountancy, NU MOA – Ancillary of Finance (Gold Partner), NU Fairview – Junior Financial Executives. Outside of the social hall, there was a booth from the different partnerships. Ms. Vina Marivic Bautista and Ms. Ashley Edlyn Ignacio are the masters of ceremony. The ceremony began with an opening prayer followed by the singing of the National Anthem. Ms. Catherine F. Enteria, the Program Chair of BSBA made her opening remarks in which she greeted and welcomed all attendees. The NU-JFINEX created an icebreaker for the participants called "Kahoot" in which the students were requested to participate by using their phones, going to the website, and typing the code to play the game. Following that, Mr. Dan Jeward C. Rubis the NU-JFINEX Adviser introduced the speakers. Mr. Jonas Marie Dumdum a Registered Chemist in the Philippines talked about "The Role of Green Finance in Advancing Sustainable Development Goals." During the question-and-answer session, several students asked some questions. Ms. Rosalie Pineda, the NU-JFINEX's Vice President for External Linkages presented a Certificate of Appreciation to Mr. Jonas Marie Dumdum. Ms. Sophie Rose Crisostomo performed a song and another ice breaker "Bring Me" was played before the lunch break.

For the afternoon session, there was song performance again by Ms. Alyssa Ashley M. Pangan. The 2nd speaker, Coach Miranda Miner tackled "How to make Cryptocurrency
