**Re : Technical Vocational Trainings – Narrative Report**

---

## **I. Context**

The School of Tourism and Hospitality Management Academic Team ensured that students, faculty members, and academic support personnel are equipped with technical and vocational skills and competencies by not only allowing them to train for TESDA (Technical Skills Development Authority), but also earn their respective National Certificates or NCs from October 2023 to March 2024.

The participants for this project are the students at National University Baliwag School of Tourism and Hospitality Management, professors, and academic support personnel.

They trained for the following National Certifications:

- Bread and Pastry Production NC II
- Food and Beverage Services NC II
- Front Office Operations NC II
- Housekeeping Operations NC II

The project was conducted in partnership with Faustino -Reloj Training and Assessment Center in Baliuag City and Guiguinto, Bulacan.

### **III. Key Take-Aways**

*For Students* – Having a National Certificate (NC II) can help them improve their credentials as well as prove that they have the necessary technical skills and competencies in the tourism and hospitality industry

*For Faculty*– This update the technical skills and competencies of faculty members who are also trainers of students taking these skills-based courses

*For Academic Support Personnel* – This supports the ASP for their continuous professional development.

### **IV. Evaluation**

#### **1. Directory of Participants**

To ensure that the participants will apply what they learned from the initial activity, the directory of participants was created with their specific addressed and contact information.
